

Good Day Sir/Madame,

Thank you so much for your invitation for **Stephen Stafford** to speak/attend your event! We do consider all of our requests an honor.

Stephen is making so much of an impact with young people that others are taking notice. Not only has he been featured on **CNN, The Tyra Banks Show, Fox 5 Atlanta News, Channel 2 News Atlanta, 11 Alive News Atlanta, AOL/Black Voices**, etc., his latest feat has been securing the cover issue for Black History Month on **Nick Cannon's Celebrity High Magazine**. As part of Stephen's Educational Initiative, he visits and speaks to youth in schools, civic/social organizations and churches throughout the South, inspiring young people to reconsider their perspectives on education!

As we now receive several speaking/appearance requests for Stephen a week, please be aware that we've already determined our charitable speaking endeavors to be **inner city schools with very limited resources**. If you are still interested in having Stephen appear at your event, the honorarium will be **\$250.00** (*proceeds to go towards Stephen's Educational Platform & Fund*). Please respond with an e-mail to [mjstafford@mocha-charm.com](mailto:mjstafford@mocha-charm.com) affirming that you would like to secure a speaking engagement. Be sure to include the date and you will promptly receive an agreement complete with details and a biography of Stephen.

Again, we thank you for this opportunity.

Warmest regards,

*Michelle Brown-Stafford*
